Children's Ministry Update

Thank you

RESTORATION LIFE
Children's Ministry

Well the children's ministry continues to grow. God is good!!!! We are now offering 3 Sunday school classrooms. 0-2 year olds, 3-5 year olds and 6-Jr. High. I would like to thank several people who have stepped into key roles contributing to the success of this ministry so far. Molly Weber and Francine Voudouris have taken on the role of heading up the nursery. Molly and Francine bring many years of experience to this ministry and have some awesome ideas for keeping the youngest of our flock safe. Molly and Francine have already been a huge asset to the ministry. Please be sure to stop by and say hi!

Hip, Hip hooray the 3- 5 year olds are here to stay!!!! I want to extend a huge thank you to Eric & Lizette Sweiven and Levi & Jessie Benkert. These couples have stepped into key roles of teaching Sunday school. They will share the responsibilities of the 3-5 year old class by teaching every other week thru the end of the year. Knowing this age group is being shepherded by such passionate people has freed my time allowing me to focus on those 6- Jr. Highs.

The 6- Jr. Highs continue to meet and are sharing awesome experiences. At the moment all Jr. Highs are being developed for leadership and proving themselves to be an awesome asset to the ministry. Jr. Highs, at the current time, are responsible for several administrative task and leading small groups (with the younger kids) on Sunday.

Last but not least I would like to thank Michelle Carroll for volunteering to coordinate and scheduling for snacks that are provided for the kids. Thank you so much!!!

Volunteer-Nursery

Love kids? Want to serve? The Nursery could use your help. By volunteering to help in the Nursery, at least once a month, will help to provide a safe environment for our babies. These are important slots that need to be filled sooner then later. So if you think you want to help please contact Molly Weber ASAP! or call at 288-4619. Sunday School-Teachers are still needed for the 6- Jr. High kids. It's easy, it's fun and most of all it's important! I would like to get one more couple to work on a rotating basis with myself and Kev. If you are interested please contact me at young2@surewest.net.

Christmas Christmas is coming, Christmas is coming!!!! I love Christmas. It is my favorite time of year (I hope it's yours as well!) We are in the beginning stages of planning our Christmas service featuring your kids. We could use your help. If you are interested please plan on attending a brief meeting immediately following our service on November 13.

Man to Man

New Book

On November 17th, the Men's Small Group will begin a new book. This time we will be going through **Every Man's Battle** by Stephen Arterburn and Fred Stoeker.

American men are in a tough position. We live in a country awash with sensual images available twenty- four hours a day on a variety of mediums: print, television, videos, internet. It is impossible to avoid such temptations, but thankfully, not impossible to rise above them. The process starts when men realize two things. First they aren't alone. Second there is help

Winning the War on Sexual Temptation One Verse at a Time

...and the things they do, and the other people, there is help.
Honest, real, life-changing help, written in a brother-to-brother style. A practical, detailed plan to help men find freedom from sexual temptation God's way.

So if you are looking for some deep connection and accountability with other Christian men, please join us.

Thursday, November 17th, @ 6am. Carrows Restaurant, 28th and J St.
