Happy Easter

He is Alive. He is Good. He is God. His name is Jesus and He is Real.

Good Friday - Restoration Life encourages you to be mindful of the death and suffering of our Savior. He died a painful and humiliating death on the cross for your sins. This is not just another Friday, it is a day of remembrance. He was nailed to the cross on Friday.

Easter Sunday - It's the cornerstone of our Christian faith, a day like no other. This Sunday we celebrate Easter and the great news that Jesus Christ not only paid for sin, but rose from death and conquered it on our behalf. If you are in Christ, you are a new creature. Sin and death have no power over you. Come join us in celebration at our new facility as we thank Him for His sacrifice and His victory. Because He lives we know that we too shall live.

East Sac Project 2009

We have our Project house for 2009.

Please join us this year on April 24th and 25th as we do our third home makeover. We'll be painting, landscaping and working side by side with neighbors and some of our friends from Golden One Credit Union as we transform this lovely East Sac Home. Buy your Restlife T-shirt after the service and wear it on work days.

We are excited to serve Allison, our homeowner, who is so excited to have us help. You will love her and her story!
