

Restoration Life is a new Church in the old part of Sacramento. We have been called to bring hope into the heart of our City. God is in the business of restoring broken lives, broken relationships and broken dreams. Make no mistake, we are real people with real

problems but we have found real answers. It is our great joy to celebrate them with you. We are an outward focused church with a passion for community. Our church is not about big programs or large

buildings. We are about people. As we grow, we envision planting 12 new life-giving churches in the heart of the city that care for people from all walks of life.

Mission: **Go** into the Community. **Show** them God is Alive. **Grow** them into disciples

Worship - Our music is contemporary, lively and inspiring. We enjoy sharing the good things God is doing in our lives and give Him all the glory for it. Sermons are centered on the life-changing power of the Bible and tend to be short, clear and relevant. **Children** - We believe in growing

healthy, happy families. Our Children's ministry is designed to take the stress out of parenting and assist you in raising the Children God has blessed you with. We are here to serve you.

Let us help you teach your children about the God of the Bible. At Restoration Life, we love kids! **Youth** - We believe that today's youth need godly adult role models who can

walk along side them in the journey of life. Restoration Life has several wonderful adult leaders who would love to connect with your teens. We believe it is an honor whenever a young person allows us to speak into their life. That is why you will see us at games, concerts, recitals and any

other place where teens hang out. We are passionate about taking the God of the Bible to the world teens live in. **Small Groups** - God made us for relationships. Not only does He want us to have a relationship with Him, but He wants us to have healthy relationships with others. Small groups are

the places where the people of Restoration Life connect, grow and encourage. We have a place waiting just for you. **Adult Education** - How much do you know about the God of the Bible? We believe

that the story of God's restorative love is the greatest love story ever told. Our classes are designed to be extremely relevant, user friendly and informative. Our Basic Eight

Kingdom Builder Curriculum is designed to give you good answers to the questions you are asking. At Restoration Life Adult Education classes are designed to encourage you on your spiritual journey for a lifetime of learning. **Missions** - We believe in supporting missions throughout the world.

Our desire is to share the love of Christ through ministries of helps and service in the parts of the world that live in poverty and oppression. Join us for one of our short term mission trips and your life will never be the same. **Family Life** - We are here to serve you.
